MAROON AND WHITE TO MEET EMERSON AT GARY SATURDAY

Locals Train Hard to Win From Steel City Team—Lambiotte to Be Back.

With the Elkhart game a thing of history, the Maroon and White are training hard for the game next Saturday with Emerson High at Gary. All the men reported at practice last night in good condition after the fierce battle of last week. The local team will try and correct the faulty passing of the team before the next game.

Only three attempts to gain ground by passing were completed. The plays that gained ground consistently were fake shifts and backfield. Coach Mueller believes in mixing his style of play in a way that will puzzle any team. Edmond Lambiotte showed his ability to punt in last Saturday's game, booting the oval for over 40 yards. The line which has failed to hold its opponents in the first games this season is not well known in Mishawaka and though they have defeated the strongest teams in this section, including South Bend. Last year Mishawaka won from Emerson by a small score. Claimants to the sectional title have always had to reckon on with the prowess of the Gary lads, as Emerson has long turned out powerful eleven.

MARCHER STRUCK BY PASSING AUTO

Wheel of Machine Passes Over Body of Adrian Resler, Boy Scout.

While marching in double file formation with other members of a Boy Scout troop, Adrian Resler, 1209 Miller st., was struck by a passing automobile on the Niles rd., one-half mile north of St. Mary's late Sunday afternoon, one wheel of the machine passing over his left leg. Wheels of Justice Grind Slowly And Twenty-Five Men Are Yet in Jail on Criminal Counts, Untried

Many Others, More Fortunate in Friends, Are at Liberty Under Bail.

Although two courts have been grinding in an effort to clean up the St. Joseph county criminal docket, there are approximately 25 men held in the county jail in lieu of bail awaiting trial. Continuations, affidavits for change of venue, and every known ruse to delay and postpone trial have been resorted to by lawyers defending the incarcerated men.

The criminal dockets were so heavy at the opening of the courts this fall, that Pros. Floyd O. Johnson added another deputy to his staff to aid in the dispatching of this state's business. But in spite of all this the following men are in jail, the majority awaiting trial, and a few the action of the grand jury:

Orde McNeal, robbery, Aug. 22; Martin Jagla, burglary, Aug. 22; Harold Snyder, rape, Aug. 25; Joe Klein, robbery, Aug. 26; J. Wareham, grand larceny, Aug. 30; Claus Fred, rape, Aug. 30; Eugene Brown, burglary, Sept. 10; William Darden, burglary, Sept. 10; Ben Purison, receiving stolen goods, Sept. 10; Herbert Troeger, issuing fraudulent checks, Sept. 12; William and Jack Clay, robbery, Sept. 13; Robert Miller, obtaining money under false pretenses, Sept. 14; John Rorden, robbery, Sept. 30; Emil Lehman, robbery, Sept. 21; Paul Myers, grand larceny, Sept. 28; John Diehl, Sept. 30, murder.

In addition to the above men, an equally large number of criminal cases are pending where the defendants are out on bond. This has resulted from the large number of cases which have been deferred by the lawyers representing them.

LOCAL WOMEN ORGANIZE CLUB

Statement is Given by Member of the Indianapolis Division.

A local woman's club that is rapidly growing in membership is that composed of the women of this city who have been brought back to good health by Pepsin. At Indianapolis, the members of this club number thousands. Mrs. Carrie McClelland, of 3533 West Michigan Street, Indianapolis, one of the members of the club at the Capital City, says:

"For years I suffered with my stomach and the trouble finally became chronic. I ate everything I ate disagreed with me. The truth is that for years I did not enjoy a single meal I ate. After every meal, gas formed on my stomach. I bloated badly and felt very uncomfortable. I became restless and nervous and couldn't sleep right."

"So many Indianapolis people recommended Pepsin in the newspapers that I decided to try this medicine. I have improved gradually since I started taking Pepsin. I am now in much better health generally. The gas on my stomach is not nearly so bad. The bloating has been relieved. I have a fine appetite and can eat a big meal without suffering afterward. The restlessness and nervousness has disappeared. I sleep a great deal better."

Pepsin is a new system tonic which is sold and recommended by leading druggists everywhere. It is now being specially introduced at the following drug stores:

Strickland & Steiner, Central Pharmacy, Bastian's Drug Store, Wetic's Drug Store, Red Cross Pharmacy.

MERRILL DIDN'T FANCY KITTEN'S 'TABLE MANNERS'

Farmhand Guilty of Assault But Court Suspends Payment of Fine.

Over differences resulting from his picking up a pet cat from the dinner table, Harry Merrill, a farmhand, near here, charged with assault and battery by Mrs. Bertha McIntyre, 207 Sycamore st., was fined \$1 and cost by Judge George W. Omacht in city court Monday. The fine was suspended.

The case was the outgrowth of an incident, according to the testimony, in which a kitten braved Merrill and others finishing their dinner, to mount a chair and jump onto the table at Mrs. McIntyre's former home, near here, a week ago Friday. Merrill, it is said, picked up the cat and, opening the door, threw the feline out of the house.

A daughter of Mrs. McIntyre, who, it is charged, Merrill struck and because of the alleged blow, Merrill was arrested, interceded in the pet's behalf and upbraided Merrill for his action. There followed words, it was said, and a blow by Merrill.

Weighing his opinion, the court stated that it appeared that the girl had evidently provoked the attack upon herself, and, finding the defendant guilty, suspended the fine.
